is point you will not find a piece of PARIS hardware in as little used, as clean, more excellent, like-new condition, with fewer hours on it than what I have to offer!! The MEC has been boxed, climate controlled, on a shelf in my non-smoking home for most of it's life. Only 7 projects were ever completed on the bundle I owned. After many years, and for various reasons, it never really got used. I hope someone here can reap the benefits.

The pictures below
