looking for 2-3 Paris Adat cards. If you
have one to sell please let me know.

Thanks

excelsm@hotmail.com I love mine, too. My only problem was that ugly
brown shell they use. But a good drummer friend
of mine who paints custom cars painted it a cool
red with about 40 layers of subtle orange, copper and
yellow flames that appear and disappear as you move
around the drum... It even sounds better :)
