Nice to hear from you man. It has actually been years! You were one of the originals from the first people to post here back in the old days.

I am still using Paris exclusively, but it is just for me and my music, or for some friends. Not a business.

I still don't eat meat either. Just fish & veggies. Feel great at 59 too, except for the arthritis in my hands bothering me.

My site is [www.enchantedvibrations.com](http://www.enchantedvibrations.com) There is even a video on one of my concerts there.

Congrats on getting engaged! I am happy for you.

Later..... and stay well.
