Now, back to Chavez. He is a hero to millions of people. The only news you get about Chavez is on the 6:00 o'clock news. Do some real research and you'll be surprised about what you'd find out about this man.

Let's face it, you gotta have pretty big balls to take on the US ..

Since people are free to say what they want, is Whitey the blue eyed devil free to say the N word? Is that Ok? Or are there some lines you shouldn't cross? Are you just pissed or can you actually see my point? I believe there some things you just don't say!

By the way, the immigration point I was trying to make is, the middle class is being killed off. It's not a race thing. The things you have work so hard for will be given away. There won't be a middle class for you and I to be part of! This could happen.
