br />  
Tom,

UAD-1 plugins subsequent to V3.9 will not run on Win 9x. Are you using =

these with Paris on Win XP? I don't see any reason they shouldn't work =  
irf you're running XP. As far as authorizations go, this is something =  
you DL from UAD and then install to your registry. You can give me a =  
call and I'll walk you through it if need be.

come to El Paso for some  
Mexican food and a tour.
